GRADUATION

All Grade 12 students need to complete the online Post-Secondary Institutions (PSI) Selections Form at <http://www.StudentTranscripts.gov.bc.ca>. Students must log-in using their BC Government account (called BCeID) and choose their PSI selections from their StudentTranscripts Service (STS) Dashboard. Even if a student is currently not interested in attending post-secondary, they should still choose to forward their transcript to all BC Electronic PSI's. The School Board Office receives significant requests in summer for transcripts from students who did not complete the PSI form and have now decided to attend post-secondary.

Please ensure that your Grade 12 student's address is correct. At the end of July, the Ministry of Education will mail Grade 12 Transcripts to the student's address provided by the school. If you move during the summer, you will need to submit your address change directly to the Ministry via email trax.data@gov.bc.ca or fax (250) 356-0171. Include student's full legal name and Personal Education Number (PEN), or date of birth if you do not know the PEN.

Step 4 From your STS Dashboard, you can choose your post-secondary institutions (PSIs) selections, preview, send and order transcripts, view exam and assessment results and view scholarship information. Please note that all transcripts previewed in the STS are considered unofficial, but official transcripts will be sent out when ordered.

You will need to consent to the STS privacy notice which enables the ministry to send your transcripts to your selected PSIs by paper or electronically depending on how the PSI is able to receive transcripts. Printed copies of transcripts may take up to 3 weeks for processing and delivery to your selected PSIs.
