PARKING

All available information can be found in this document. If you have any questions, see one of the school administrators.

Details

Parking at Mt. Boucherie is limited. If students wish to park on school property (this includes the Arena during school time), they must register for a parking pass and park only in designated areas. **Parking passes are available at the office. Vehicles not displaying a valid parking pass and/or not parked in a designated area will be towed at the owner's expense.** All students will sign a parking contract. **No warnings will be issued!**

To apply for a parking pass come to the office and ask for an application. The application form needs to be read and signed by your parent/guardian. Return the form to the school office with a copy of your driver's license and the insurance of the vehicle you will be driving.
